Hamlet, probablemente compuesta entre 1599 y 1601, transcurre en Dinamarca y relata cómo el príncipe Hamlet lleva a cabo su venganza sobre su tío Claudio quien asesinase al padre de Hamlet, el rey, y ostenta la corona usurpada así como nupcias con Gertrudis, la madre de Hamlet. La obra se traza vividamente alrededor de la locura (tanto real como fingida) y el transcurso del profundo dolor a la desmesurada ira. Además explora los temas de la traición, la venganza, el incesto y la corrupción moral.

Enjoy four of Shakespeare’s tragedies told with LEGO bricks. Here are Hamlet, Macbeth, Romeo and Juliet, and Julius Caesar enacted scene by scene, captioned by excerpts from the plays. Flip through one thousand color photographs as you enjoy Shakespeare’s iconic poetry and marvel at what can be done with the world’s most popular children’s toy. Watch the brick Hamlet give his famous “To be or not to be” soliloquy, and feel brick Ophelia’s grief as she meets her watery end. Lady Macbeth in brick form brings new terror to “Out, out, damn spot!” and brick Romeo and Juliet are no less star-crossed for being rectangular and plastic. The warm familiarity of bricks lends levity to Shakespeare’s tragedies while remaining true to his original language. The ideal book for Shakespeare enthusiasts, as well as a fun way to introduce children to Shakespeare’s masterpieces, this book employs Shakespeare’s original, characteristic language in abridged form. Though the language stays true to its origins, the unique format of these well-known tragedies will give readers a new way to enjoy one of the most popular playwrights in history.

This collection offers an overview of the ways in which space has become relevant to the study of Shakespearean drama and theatre. It distinguishes various facets of space, such as structural aspects of dramatic composition, performance space and the evocation of place, linguistic, social and gendered spaces, early modern geographies, and the impact of theatrical mobility on cultural exchange and the material world. These facets of space are exemplified in individual essays.
Throughout, the Shakespearean stage is conceived as a topological ‘node’, or interface between different times, places and people – an approach which also invokes Edward Soja’s notion of ‘Thirdspace’ to describe the blend between the real and the imaginary characteristic of Shakespeare’s multifaceted theatrical world. Part Two of the volume emphasises the theatrical mobility of Hamlet – conceptually from an anthropological perspective, and historically in the tragedy’s migrations to Germany, Russia and North America.

The protagonist of Hamlet is Prince Hamlet of Denmark, son of the recently deceased King Hamlet, and nephew of King Claudius, his father's brother and successor. Claudius hastily married King Hamlet's widow, Gertrude, Hamlet's mother, and took the throne for himself. Denmark has a long-standing feud with neighbouring Norway, in which King Hamlet slew King Fortinbras of Norway in a battle some years ago. Although Denmark defeated Norway and the Norwegian throne fell to King Fortinbras's infirm brother, Denmark fears that an invasion led by the dead Norwegian king's son, Prince Fortinbras, is imminent. On a cold night on the ramparts of Elsinore, the Danish royal castle, the sentries Bernardo and Marcellus discuss a ghost resembling the late King Hamlet which they have recently seen, and bring Prince Hamlet's friend Horatio as a witness. After the ghost appears again, the three vow to tell Prince Hamlet what they have witnessed. As the court gathers the next day, while King Claudius and Queen Gertrude discuss affairs of state with their elderly adviser Polonius, Hamlet looks on glumly. During the court, Claudius grants permission for Polonius's son Laertes to return to school in France and sends envoys to inform the King of Norway about Fortinbras. Claudius also scolds Hamlet for continuing to grieve over his father and forbids him to return to his schooling in Wittenberg. After the court exits, Hamlet despairs of his father's death and his mother's hasty remarriage. Learning of the ghost from Horatio, Hamlet resolves to see it himself.

Rebecca Reisert's mesmerizing first novel re-imagines Macbeth, Shakespeare's classic tragedy of power and madness, through the eyes of a mysterious young woman on a dangerous quest for vengeance. For the girl called Gilly, life in the wilds of Birnam Wood is little more than a desperate struggle for survival. Seven long years have passed since she was first taken in and sheltered by Nettle and Mad Helga, the hut-dwelling wise-women whose inscrutable powers of alchemy and prophecy are feared and reviled throughout good King Duncan's kingdom. Living under the threat of deadly persecution by witch-hunting villagers, the threesome ekes out a life by peddling potions and elixirs, scavenging for food, and robbing the bloodied corpses of Scotland's battle-scarred hills for precious metals and weapons. But Gilly is haunted by recollections of a much brighter life. She clings to fading memories of a time when she was contented and adored -- until tragedy swept all that happiness away and young Gilly's life was changed forever. I have made my life an arrow, and His heart is my home. I have made my heart a blade, and His heart is my sheath.Obsessed with avenging her loss and putting out the fire that still rages in her heart, Gilly has dedicated herself to destroying Macbeth, the boundlessly ambitious man who took away her childhood, and his goading wife. Disguising herself as a poor servant boy, she insinuates herself into their lives and, as she bears horrified witness to Macbeth's violent path to power, Gilly subtly begins to take a hand in the forces governing his fate. But as the culmination of her revenge draws near, Gilly finds her own life at risk when she confronts the troubling legacy of a long-concealed heritage. In a riveting story of ruthlessness and revenge, debut author Rebecca Reisert demonstrates a profound understanding of the Bard's timeless drama -- and of the real-life Macbeth upon whom Shakespeare's incarnation is modeled.

With her usual warmth, perceptiveness, and humor, Newbery Medal winner Beverly Cleary creates the joys and worries of a young girl's first crush. It seems too good to be true. The most popular boy in school has asked Jane out—and she's never even dated before. Stan is tall and good-looking, friendly and hard-working—everything Jane ever dreamed of. But is she ready for this? Suppose her parents won't let her go? What if she's nervous and makes a fool of herself? Maybe he'll think she's too young. If only she knew all the clever things to say. If only she were prettier. If only she were ready for this

Hamlet is sunk into a state of great despair as a result of discovering the murder of his father and the infidelity of his mother. Hamlet is torn between his great sadness and his desire for the revenge of his father's murder. Though yet of Hamlet our dear brother's death The memory be green, and that it us befitted To bear our hearts in grief and our whole kingdom To be contracted in one brow of woe, Yet so far hath discretion fought with nature That we with wisest sorrow think on him, Together with remembrance of ourselves. Therefore our sometime sister, now our queen, The imperial jointress to this warlike state, Have we, as 'twere with a defeated joy,-- With an auspicious and a dropping eye, With mirth in funeral and with dirge in marriage, In equal scale weighing delight and dole,— Taken to wife: nor have we herein barr'd Your better wisdoms, which have freely gone With this affair along. For all, our thanks. Now follows, that you know, young Fortinbras, Holding a weak supposal of our worth, Or thinking by our late dear brother's death Our state to be disjoint and out of frame, Colleagued with the dream of his advantage, He hath not fail'd to pester us with message, Importing the surrender of those lands Lost by his father, with all bonds of law, To our most valiant brother. So much for him. Now for ourself and for this time of meeting: Thus much the business is: we have here writ To Norway, uncle of young Fortinbras,-- Who, impotent and bed-rid, scarcely hears Of this his nephew's purpose,--to suppress His further gait herein; in that the levies, The lists and full proportions, are all made Out of his subject: and we here dispatch You, good Cornelius, and you,
