To change health inequities, researchers have recognized the need to build true partnerships with communities.1 Indigenous communities and researchers have voiced a variety of concerns with “research as usual” and emphasized the value of true partnerships, including decolonizing research to instil a balance between Indigenous and Western frameworks and methods.2–4 …

INDIGENOUS PEOPLE OF MANITOBA

Indigenous communities have also created a symbiotic form of religion not really recognized with any other name than a popular form of Catholicism. Indian groups have mixed Catholic saints with pre-Hispanic traditions, thus allowing them to maintain ancient forms of worship under the guise of Catholic rituals.
Modernization theory is used to explain the process of modernization within societies. Modernization theory originated from the ideas of German sociologist Max Weber (1864–1920), which provided the basis for the modernization paradigm developed by Harvard sociologist Talcott Parsons (1902–1979). The theory looks at the internal factors of a country while assuming that …

The impact of indigenous cultural identity and cultural

The use of Western imperialistic language in the history curriculum, such as Captain Cook ‘discovered’ Australia, further serves to marginalise generations of Indigenous people, and does not acknowledge the dispossession of land and culture, and the removal of children enforced on Aboriginal and Torres Strait Islander people (Grant, 2018).
