The world is changing. While many would agree, few understand how or why. In this book, Hans Rosling, the renowned professor and TED speaker, masterfully explains why progress is so often secret and silent and teaches readers how to see it clearly. Inspired by decades of studying global trends, Rosling was able to see the world as it really is and not as it is perceived. --- "This book will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long
